

- Financial Hardware
- Parts and Upgrades
- Fulfillment

Vecmar Financial Solutions provides hardware and software upgrades for all NCR Transport Equipment. Whether you are looking for a single part, an upgrade, or a complete system, we can provide you with the solution you need. Vecmar can ship world-wide; just give us a call to find out the current lead time on the product you need.

Trusted by NCR

All hardware upgrades include a 90-day parts warranty. All transport parts and upgrades have been remanufactured and tested for quality. Vecmar has been an authorized NCR distributor since 1990, and we have a qualified staff of NCR technicians who provide pre- and post-sale support and coordinate installation of upgrades on your transport systems.

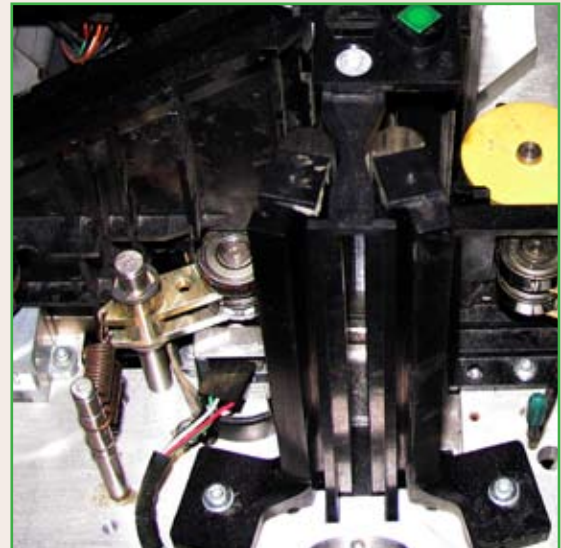

We Buy and Sell Legacy NCR Transport Equipment

Contact us at **800-457-8499** to discuss the current trade-in value for your older NCR equipment.

Warranty and Maintenance Programs

Vecmar Financial Solutions provides a variety of warranty options for your NCR Digital Check Scanning equipment. Select our Basic Service Contract which covers parts and labor only, or our Advanced Exchange Contract which provides replacement equipment when the service call is made, allowing you to send in the defective equipment after you receive your replacement.

Call us to discuss warranty options for your Check Scanning equipment. We make it easy to order, easy to maintain and easy to manage your remote capture operations.

Cash or Credit for your old Check Scanners

Want to get rid of surplus hardware, or junk equipment? Let's talk! Trade in your equipment for credit toward current or future purchases.

NCR Check Scanner Fulfillment Program

Count on Vecmar Financial Solutions Fulfillment Service for your check scanner distribution needs.

Do you have a large number of branches that need to order check scanners and supplies? Vecmar can create a customized, password protected web portal for large volume customers to more efficiently provide equipment and supplies for different office or branch locations.

Our fulfillment service includes the construction of a dedicated, password protected website which is developed with a customized look and feel to correspond with your corporate branding. Orders are processed quickly and efficiently and most popular models can ship same day. Online account management also includes UPS tracking information on each order which can be viewed at any hour of the day.
